

OUR CORPORATE LOGO

The corporate logo sends out a strong message that Winning Soft will continue to satisfy customer expectation with ever increasing services. The color blue represents the intelligence and trustworthiness of Winning Soft. The biggest blue rectangle cube at the top, shows that Winning Soft is ready to leap into a successful future.

The white strike at the center of the top rectangle indicates the enthusiastic and dynamic dedication that is shared by every Winning Soft member, a passion that has stirred each member from the day of Winning Soft foundation.

OUR CORPORATE SLOGANS

Winning the competition with IT

Our corporate slogan symbolizes our aspiration and commitment. Winning Soft presents high-quality services and excellent IT solutions since we realize that winning the market is very important for every corporate, using the latest and most advanced Information Technology provided. We pledge that we shall continue to deliver our own commitment to become the number one IT provider trusted by everyone.

Our Vision

Work wholeheartedly to support and to improve the society through Information Technology.

Our Mission

Implement and use Information Technology in every aspect to boost Indonesian economy.

Facilitate IT-based system as a value-added service from the corporate to the customer.
